## WE NEED YOUR HELP!

The Pennsylvania Horticultural Society is conducting a campaign to increase its membership. Will you help by sending in promptly at least three names and addresses to the Society? This will enable those who join to secure an admission to the Philadelphia Flower Show and to buy additional tickets at a reduced price.

You will find a proposal blank for your convenience on Page 3. Present members are listed in the back of the book for easy reference. Invitations, with the list of privileges, will be mailed from the office. In doing so, it helps to use the name of the proposer, but if you prefer, we will omit your name.

We plan to award six prizes at the Annual Meeting in November to the persons who have secured the greatest number of new members in 1947. The first prize will be a Life Membership in the Society. If it should be won by someone who is already a Life Member, it may be given to a friend.

We expect to work on this campaign throughout the year, so bear with us if you hear of the project again. Our goal is 5,000 members.

## ANNUAL MEETING

The Annual Meeting of The Pennsylvania Horticultural Society was held on November 20, 1946, at 3 P. M., in the Auditorium on the twentieth floor of the Broad Street Station Building, with the President, C. Frederick C. Stout, in the Chair

Announcement was made of the election of the following members to the Executive Council for the three-year term (1947-1948-1949) as follows: Mr. Alfred M. Campbell, Mrs. F. Woodson Hancock, Jr., Mr. Alexander MacLeod, Dr. J. Horace McFarland, Mr. J. Liddon Pennock, Jr., Mrs. Arthur H. Scott, Mr. Thomas W. Sears and Professor E. I. Wilde.

The President welcomed the members and told them the most important event of the year was the change in the location of the Society's quarters. He further stated that after nineteen years in its old home it was difficult for the Society to make the change. However, it was necessary to do so because the space was needed by the Insurance Company of North America, which is expanding. Mr. Stout considered the Society fortunate in obtaining desirable space in the Broad Street Station Building, to which it moved on November 1st. He then invited the members to an "Open House" in the new rooms on Tuesday, December 10.

The Treasurer's report for the year was presented.

A brief summary of the year's activities was given by the Secretary, who also announced some of the coming events.

Mr. David Burpee was the speaker of the afternoon. His subject was "Creating New Varieties of Flowers," which was beautifully illustrated with Kodachrome slides.

There were 137 members present.

## REPORT OF THE PRESIDENT FOR 1946

On November 20, our Society celebrated its 119th Anniversary. Quite naturally this placed a long span of years in retrospection. It took one back to the first meeting, which was held in the year 1827 at the old Franklin Institute which still stands on Seventh Street below Market, now known as the Atwater Kent Museum, and at which Mr. Horace Binney, one of the outstanding lawyers of the time, was elected the first President. Meetings were held there, in the building of the Philosophical Society at Sixth and Chestnut Streets, and in other halls in that vicinity in the early years of the Society. The dues at that time were five dollars a year.

The Society prospered steadily and in 1867 it built its first home on Broad Street near Locust. This building was partially destroyed by fire and in 1881 the second Hall was built, at which time Mr. William L. Schaffer was President. As you know, he gave most generously during his lifetime and we are still the beneficiary of his devotion to the Society through the Schaffer Trust Fund which is administered by the Girard Trust Company. In 1895, the third Hall was built, when Mr. Clarence H. Clark was President. Many who are still living in Philadelphia remember flower shows and social affairs that were held in that Hall. This was sold in 1917 and two years later when Mr. C. Hartman Kuhn retired from the Presidency, Mr. James Boyd, my predecessor, became President. The work that Mr. Boyd did in reorganizing the Society and his own love of nature made him an outstanding horticulturist. He compiled and wrote the history of the Society, which stands as a monument to his life and his administration.

It was with this background that members of the Council convened for their meeting in May, 1946, to discuss the problem which was brought about by our having to vacate the quarters we had occupied for the past 19 years. This condition opened the discussion of again having our own home. Committees were appointed to visit at least a half dozen properties that were offered, either for rent or purchase. The one that received most favorable comment was the building at 1711 Parkway.

The Finance Committee considered the proposition of purchasing a home and decided this would not be financially feasible unless we could provide an increased income of from \$3,000.00 to \$5,000.00 per year. The Committee did not advise how this could be done but it was pretty well settled that additional capital of from \$100,000.00 to \$200,000.00 should be raised. The Committee stated, however, that if we could raise our dues to \$5.00 per year instead of \$3.50, without losing members, our annual income would be increased by more than \$5,000.00. Or, if we could add another 1,500 members, the same result could be accomplished. I am pointing this out to you to show how important it is to have the enthusiastic support of all of our members in order to accomplish in a substantial way all the things for which the Society stands. We can neither hire nor get a better organization to increase our membership than our present members if THEY will but realize that they are the best instruments for achieving this end.

All of these facts were laid before our legal counsel, Mr. William Clarke Mason, who is also a member of the Executive Council of the Society. Mr. Mason, in conjunction with your President, had taken this matter up with Mr. James Gowen, President of the Girard Trust Company, which is Trustee for the Schaffer Fund. A great deal of constructive legal and financial research has been done and, on behalf of the Society, I wish to express my thanks and appreciation to both of these gentlemen. Their work has cleared the way for the procedure to be followed when we find ourselves in the position where we can acquire a home.

We cannot lose sight of the fact that in this day we are living in doubtful and anxious times. The economy of the world, including our own national economy, has been torn asunder by the limitless physical destruction of property. In the light of these circumstances, we must consider ourselves particularly fortunate and blessed in securing the home that we now have in the Suburban Station Building. However, I feel we must not give up the thought that this old Society should have a home of its own. Toward this end suggestions have been made that we set up a fund to which contributions can be made by gifts or bequests and, in due time, the Council will consider the establishment of such a fund.

I speak for all the members of the Council when I say the splendid attendance we had at the Society's "Open House" was most heartening. It was given to acquaint all of you with our new quarters in the Suburban Station Building. I wish to express my thanks to the members of Mrs. Scott's and Mrs. Carson's committee who directed it.

I compliment the office force on the great contribution they made in the work of moving our library and office to our new quarters and preparing the same for our "Open House." Their loyalty contributes greatly toward the hospitality of the Society.

Respectfully submitted,

C. FREDERICK C. STOUT,

*President.*

## **REPORT OF THE SECRETARY**

**November 20, 1946**

To the Secretary, at the Annual Meeting, is always assigned the unexciting task of presenting the record for the past year. Such a report seems proper and necessary, but in making it, I shall not give too many statistics and shall mention only the highlights, leaving the details for the Year Book.

The President has told you about the housing situation, which was our chief worry of the year. I shall, therefore, omit reference to it except to say that we are exceedingly thankful that we are settled once more. We hope you will come often to the new rooms and will learn to like them as well as the old ones.

Another thing that distressed us soon after the Annual Meeting last year was to learn from the editor of "Horticulture" that the price of the magazine would be advanced. Therefore, we were forced to increase our Annual Dues to \$3.50. The By-Laws were changed accordingly at the January meeting of the Executive Council, and your President wrote you a letter of explanation. Evidently you understood

the necessity for the increase, for you have accepted the situation very gracefully.

With the exception of these two worries, the past year has been a pleasant one and the usual activities have moved along satisfactorily.

The regular series of afternoon lectures started the new year, and shortly afterwards the evening series began. The evening lectures, on practical gardening subjects, were very popular, and a similar series has been arranged for this winter. We think that our new quarters will lend themselves to this purpose better than the old rooms—the committee planned the new space with that in mind. Both afternoon and evening lectures ended on February 19 during the worst blizzard of the season. In spite of this, over a hundred members heard Mrs. Wood's and Mrs. Platt's excellent talk on Clematis in the afternoon, and 48 members came that terrible winter evening to hear about Spring Flowers.

In addition to the regular lectures, a delightful illustrated talk on California Gardens was given by Charles Gibbs Adams at the Annual Luncheon on April 13. Also, a series of four lectures was given in April as part of the Course on Flower Show Judging, which the Society is presenting in co-operation with the Garden Club Federation of Pennsylvania. These Course lectures have the unique distinction of not only financing themselves but of bringing in revenue to the two sponsors. The April Course cleared about \$250.00 for each organization, and another successful Course, the fourth in the complete series of five, was presented on three days last week and netted us and the Federation approximately \$200.00 each.

In May, your Society was represented for the first time in the Rittenhouse Square Flower Market where we maintained a booth for dispensing free gardening information. Our co-operation was in the nature of a civic contribution, and we received no share of the proceeds from the Market.

The Garden Visits, which also took place in May, covered more territory than in recent years on account of the lifting of gasoline restrictions. The gardens were very lovely, but the weather was disagreeable on each of the three afternoons. Nevertheless, there was an attendance of over 400 at some of the gardens. We had a perfect day for the special Rose Pilgrimage on June 8 to Dr. McFarland's Breeze Hill Gardens, the Harrisburg Rose Garden and the Hershey Rose Gardens. We were fortunate enough to strike the peak of the season and the roses were at their very best.

A Spring Flower Show was held successfully in the Society's rooms on June 5, and just ten days ago, I am sure that many of you visited the remarkably fine Chrysanthemum Show in the Field House of Swarthmore College.

Probably most of you know that the Philadelphia Flower Show will be presented again, after its three years' omission, in the Commer-

cial Museum next spring. The exact dates are March 17 to 22. Each member will receive one free ticket as usual.

Our Field Secretary, Miss Wertsner, has had a busy year. In addition to giving many lectures in the Philadelphia area, she has presented courses of lectures in Ohio and Georgia and has made frequent trips to Pittsburgh, New York, Connecticut, Massachusetts and Rhode Island for speaking engagements. She has also given much gardening advice to members and non-members in the office and over the telephone. Because of her many engagements, it is impossible for Miss Wertsner to visit gardens of members to help the owners with problems, but she is open for consultation in the office. It is better to telephone before coming in, however.

The Library was temporarily out of commission during the moving and thereafter. It took a longer time than we had expected for the cabinet makers to re-assemble several bookcases which had been taken apart for their journey; and after that the books had to be put back on the shelves in proper order. We all regret the unavoidable delay, and hope you will be patient with us.

During the past year, we have had 1,667 visitors to our rooms, exclusive of those who came to the June Flower Show. The Library had 803 visitors. In addition to our own 13 meetings, we have had 59 meetings in our Council Room of committees and board of other organizations with allied interests.

A summary of the membership record for the year is as follows:

Membership as of November 1, 1945.....	3487
Resignations (233) and deaths (46) during year..	279
	<hr/>
	3208
New members added during year.....	258
	<hr/>
	3466

You will notice that there was a net loss of 21 in membership, but considering that the dues were raised, I think this loss is a very minor one.

Finally, I wish to repeat again what I said in closing last year—that I hope you will not hesitate to ask me now, or at any time, any questions about the Society which you would like to have answered. This is your Society, and we are here to serve you and the best interests of gardening in Pennsylvania.

Respectfully submitted,

JOHN C. WISTER,

*Secretary.*

## REPORT OF THE TREASURER

(For Year from October 1, 1945 to September 30, 1946)

Your Society continues in good financial condition despite the difficulties which are being encountered because of present conditions. These conditions have resulted in further decrease in the Schaffer Fund, of which the Girard Trust Company is Trustee. This fund shows a decline in capital of \$9,715.56 in the past year largely due to the sale of properties received through mortgage foreclosures.

Income from the Schaffer Fund declined approximately \$1,100.00 in the past year. The cause of this is the continuing scarcity of securities which are legal for trust funds, which has resulted in the Trustee's investing in government bonds which yield a very low return. As an offset to the loss of income in the Schaffer Fund, investment income on the Society's own investments increased approximately \$100.00 and dues increased approximately \$800.00 so that the total income of the Society amounted to \$22,578.21, only \$150.00 less than for 1944-1945.

Your committees have been most co-operative in living within their budgets and, while expenses increased approximately \$500.00 last year, nevertheless, the Society completed the term under discussion with a balance of \$2,892.37.

The Life Membership account has shown a very satisfactory increase during the year and was up \$3,000.00. A continued rise in prices will naturally adversely affect the Society and the only way that additional income can be secured is through an increase in membership. It is important, therefore, that members of the Society make every effort to secure additional members.

The Accountant's Statement follows.

BENJAMIN RUSH, JR.,

*Treasurer.*

## REPORT OF THE LIBRARY COMMITTEE FOR 1946

"The pen is mightier than the Sword." So it has been said. We hope it is true and that the pen will become an ever increasing power for the good of mankind.

Alas the sword, with millions of guns to back the old time weapon, has been a force for evil for far too many years, so let us do all in our power to help make the lives of one and all so happy and useful and interesting that instead of wars, we will have peace; instead of constant bickerings, we will have steady progress and instead of discontent over the face of the world we will have healthy pastimes and great strides in the advancement of the sciences.

This will make the world a happier place in which to live and a far healthier place too in more ways than one.

Let us encourage everyone to enjoy the beauties of nature and the great "out-of-doors." In spring and summer let us plant growing things. Let us grow flowers for this season, shrubs for next season and trees for the years to come, and by all means vegetables and some of the delicious small fruits.

Most of those who garden appreciate the enormous value of reading. Beginners will find the help and encouragement they need in our library. Our new rooms are very comfortable and very conveniently situated. We have close to six thousand volumes to choose from and the magazines are most interesting and helpful. Willing and cheerful advice may be had for the asking and books may be taken home.

Respectfully submitted,

MARY G. HENRY, *Chairman.*

(Mrs. J. Norman Henry).

Library records show that there were 724 visitors to the Library and 579 books were circulated among our members. Our thanks are extended to the following who have generously given books to the Library during 1946: M. Barrows & Co., Mrs. Samuel N. Baxter, Mr. Charles F. Jenkins, Mr. Henry A. Ross, Miss Anne B. Wertsner, Miss Helen VanPelt Wilson and Mr. John C. Wister.

## REPORT OF LECTURE COMMITTEE FOR 1946

The regular program of lectures for 1946 included three Tuesday afternoon lectures in the auditorium on the sixteenth floor of 1600 Arch Street, and five Tuesday evening lectures, presented in the offices of the Society (No. 601—1600 Arch Street) as follows:

### Afternoon Lectures—3 P. M.

- January 15—Motion Pictures of Native Plants including Lapsed-Time Pictures of Growth and Flowering. Walter E. Thwing.  
February 5—"Experimental Horticulture," Dr. George S. Avery, Jr.  
February 19—"Clematis," Mrs. Charles Platt and Mrs. Richard D. Wood, Jr.

### Evening Lectures—8 P. M.

- January 22—"Plant Propagation," Anne B. Wertsner.  
January 29—"The Small Garden and its Calendar," Gertrude M. Smith.  
February 5—"Trees and Shrubs and their Maintenance," Harry Wood.  
February 12—"Suggestions for Better Lawns," Dr. Walter S. Lapp.  
February 19—"Spring Flowers," John C. Wister.

Almost all of the lectures were illustrated, and the subjects were varied to suit different tastes. Attendance ranged from 98 to 215 for the afternoon lectures and from 27 to 104 for the evening series.

In addition to the regular program, your Lecture Committee was responsible for the speakers at the Spring Luncheon and at the 1946 Annual Meeting. At the Spring Luncheon, held at the Bellevue-Stratford on April 13, Charles Gibbs Adams spoke before 300 members and guests on "California Gardens of National Celebrities." At the Annual Meeting, in the auditorium of the Broad Street Station Building on November 20, David Burpee told the members about "Creating New Varieties of Flower." There were 137 present.

Your Committee has planned an interesting program for Tuesday afternoons and evenings of the present winter, and I hope that many of you will come to the lectures and will enjoy them.

Respectfully submitted,

JOHN C. WISTER,

*Chairman.*

## GARDEN VISITS, 1946

With the lifting of gasoline restrictions, we were able to go further afield on the Garden Visits than during the war years and interesting gardens in Wilmington, Harrisburg and Hershey were on the program as those in suburban Philadelphia. The complete list is as follows:

### **Saturday, May 4—Vicinity of Wilmington, Delaware**

Mr. Harry G. Haskell  
Mr. and Mrs. Irene du Pont  
Mr. and Mrs. Francis Crowninshield  
Mr. and Mrs. Robert Wheelwright  
Mr. and Mrs. Henry F. du Pont  
"Valley Gardens" (Public Park, Naturalized Plantings)

### **Saturday, May 11—Roxborough, Chestnut Hill and Vicinity**

Mr. and Mrs. William W. Frazier, 3rd  
Mr. and Mrs. Sydney E. Martin  
Mr. and Mrs. William M. Elkins  
Mr. and Mrs. George D. Widener  
Morris Arboretum of The University of Pennsylvania

### **Saturday, May 18—Main Line**

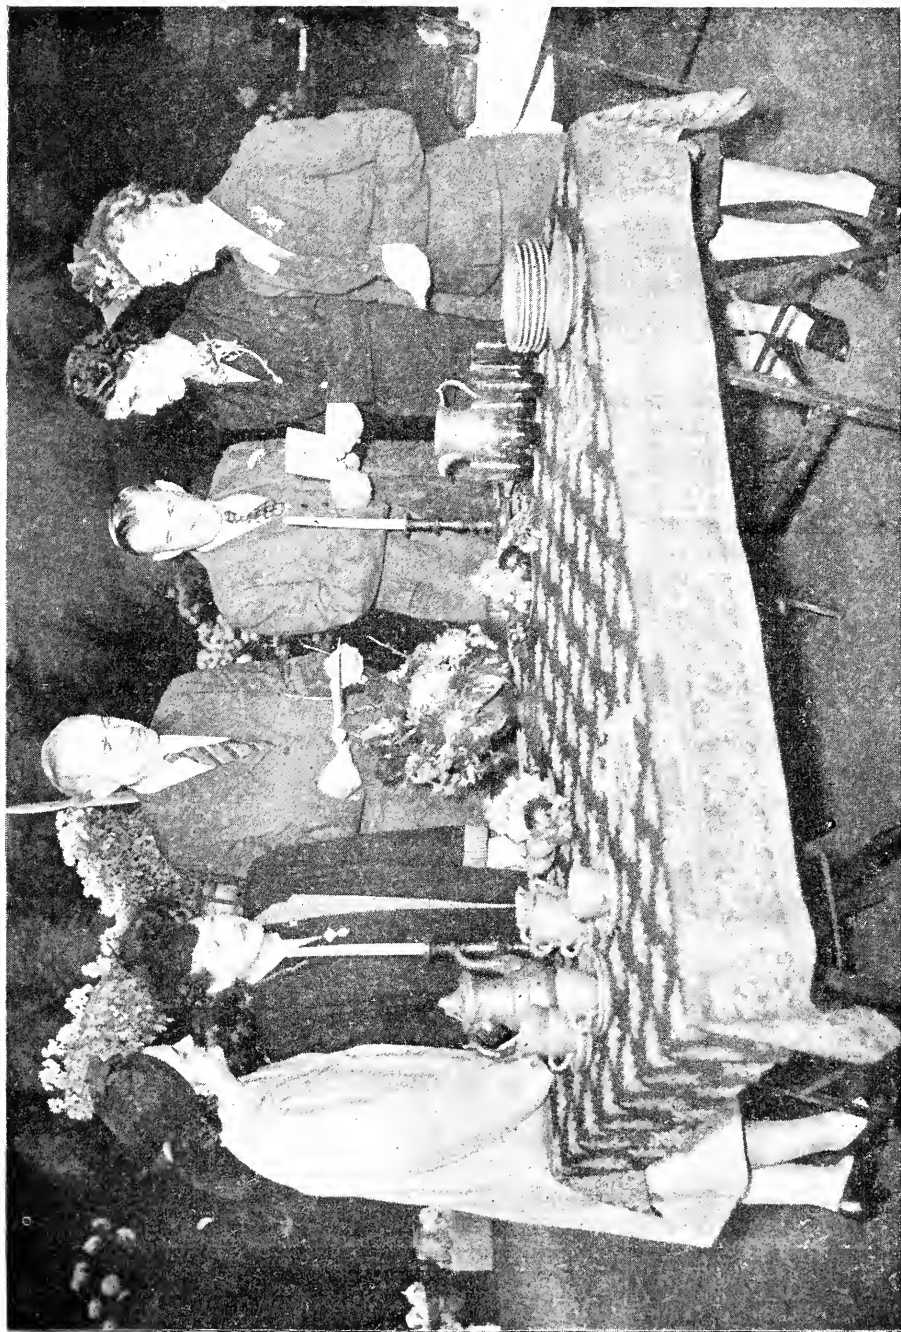

Mr. and Mrs. C. Frederick C. Stout  
Mr. and Mrs. Thomas W. Sears  
Mr. and Mrs. Benjamin Eshleman  
Mr. and Mrs. John Barnes Townsend

### **Saturday, June 8—Rose Pilgrimage to Harrisburg and Hershey**

Harrisburg Rose Garden  
Breeze Hill Gardens, of Dr. J. Horace McFarland  
Hershey Rose Garden

The highest attendance was at the Chestnut Hill Gardens where there were over 400 visitors at each garden. Unfortunately, the weather was bad on each of the first three Saturdays so that the visitors could not enjoy the full beauty of the gardens; but the Rose Day on June 8 was perfect and the roses were at their best. No record could be kept of the attendance on that day.

We are deeply indebted to the owners of the gardens on this year's list for sharing the beauty of their places with us.

1946 CHRYSANTHEMUM SHOW, SWARTHMORE

## REPORT OF EXHIBITION COMMITTEE FOR 1946

Your Exhibition Committee has two flower shows and a plant exhibit to report for the past year. The exhibit was at the Rittenhouse Flower Market on May 23, at which the Society was represented by a booth which displayed window boxes for the four seasons of the year. We also maintained a free gardening information service at the booth.

On June 4, an attractive Spring Show was presented in our rooms at 1600 Arch Street, at which the attendance was 755.

The greatest efforts of your Committee were directed to the three-day Chrysanthemum Show on November 8, 9 and 10. It was held in the Field House of Swarthmore College, and was given jointly by our Society and the Arthur Hoyt Scott Horticultural Foundation of the College, with the co-operation of the Philadelphia Branch of the National Association of Gardeners. Mr. Harry Wood, of the Scott Foundation, was untiring in his endeavors to secure exhibitors, and he and Miss Wertsner, of our Society, were mainly responsible for planning the layout and setting up the Show.

The Philadelphia and Wilmington Branches of the National Association of Gardeners put on splendid displays of Chrysanthemums which called for an enormous amount of volunteer labor, as did the interesting and educational exhibit of berried and fruited trees and shrubs staged by the Scott Foundation and the Morris Arboretum. Several commercial firms co-operated to make the Show a great success, and the women did their part by filling the Arrangement Classes with strikingly beautiful entries.

There were many contributions of various kinds which do not show up in the financial report. On paper, the Show cost about \$914.00 to present, but it would have cost double that amount if there had not been contributions of trees and shrubs by commercial people, of trucks for transporting plant material, of labor, and of entertainment of exhibitors. The Show was free to the public and the attendance was 7,966. Your Exhibition Committee suggests that another year it might be advisable to charge admission to non-members (permitting members to attend free of charge) and thus help to defray the expenses of the Show.

Probably you all know that the Philadelphia Flower Show will be held in 1947 (March 17 to 22) in the Commercial Museum, for the first time in five years. Mrs. J. Gibson McIlvain has consented to serve again as Chairman of Exhibits for the Arrangement Classes in our Society's section, with Mrs. G. Ruhland, Chairman, and Mrs. Homer Reed, Vice-Chairman, of the Schedule Committee. They began early last September to line up their committees and to plan interesting classes, and we know that under their capable leadership, our particular section will be as beautiful as ever and a great credit to the Society.

Respectfully submitted,

HAROLD GRAHAM, *Chairman.*

## REPORT OF THE EXTENSION COMMITTEE FOR 1946

It could fairly be stated that the work of the Extension Committee during the year that is just ending rests primarily on what our Field Secretary, Miss Anne Wertsner, does, and here I use words incorrectly, because she seems never to rest as she is advancing good gardening in a way which it seems to the Chairman of the Committee is completely admirable.

Under the conditions that have come about, Pennsylvania has spread horticulturally as she always has spread in America by doing things for the whole nation. This will be understood as quotation follows from Miss Wertsner's own detailed report, which is thus presented as showing effectively the activities of the Committee personalized by Miss Wertsner:

A very busy year was experienced with lectures in seven States, and increased activities at home in Pennsylvania. Due to the fact that there was no large Philadelphia Flower Show, I was able to judge in the New York and New Jersey sections of the International Show in New York.

Two flower shows were staged for the Society, a June and a Chrysanthemum Show, and I assisted with the judging of many shows throughout the year.

Entire Judges' Courses were given in Florida and Georgia, and I participated in others in Pennsylvania, Connecticut and New Jersey.

Many horticultural inquiries were answered and the State Federation meeting held in Hershey, Pennsylvania, and the National Council Meeting held in Detroit, Michigan, were attended.

A small book, "Make Your Own Merry Christmas," was written and many of my decorations were displayed in the new rooms of the Society previous to Christmas.

A total of 61 lectures were given, 15 shows were judged, 18,677 miles were traveled and 611 horticultural inquiries were answered.

Respectfully submitted,

J. HORACE McFARLAND,

*Chairman.*
